

An Invitation to Join or Renew Membership in the Big Elbow, Juggler, Little Bemidji Lakes Association!

Greetings! My name is Shelly Murphy and I am looking forward to serving as our Lake Association President along with a wonderful team of officers. You are receiving this email/mail because you live on one of our Association lakes. Your information was collected by gathering parcel information from the county website.

If you are no longer on the lake, please disregard this letter.

Your membership is very important for our Association, it works to keep our lakes healthy and sustainable. In addition to water testing and clarity, the Association monitors loon counts, fish stocking, public launch concerns and other issues in conjunction with the DNR.

The Association also helps to build a strong community through social gatherings at meetings and the annual July 4th boat parade. As a member you are able to share ideas for other social interactions or share concerns you may have that our members can help brainstorm solutions.

The Association holds two meetings per season, you need not attend but as stated earlier it is a social gathering and a way to meet others on our lakes. The 2024 meetings are:

Saturday, June 22, 2024 – 5:30 potluck, 6:00 meeting

Fire Hall

Main course will be provided. Please bring a dish to share and your own beverage.

Sunday, August 18, 2024 - 8:30 a.m.

Jolly Fisherman Resort

Donuts and variety of beverages provided

For those who are on the lake(s), the Association is trying something different this year. We are going to have an online sign up through a google doc link.

<https://forms.gle/5t8NTNvKKeN53oG66>

This document will allow you to put your lake, home, and emergency contact information all in one location. You will have the option to share your info with the Sherriff's office. It will also be how you register for membership in the Big Elbow, Juggler, Little Bemidji Lakes Association. The information gathered will only be used for Association business.

You do not have to become a member for the emergency contact part.

We are also going to try a new payment choice for the membership dues. I have set up a Venmo link. All you have to do is install the Venmo app and then scan the link below or search for “@Thomas-Clark-173”.

@Thomas-Clark-173

If you would like you can still send check or pay at our next meeting.

I would like to thank current and former board members for all the work they did gathering contact data. If you have any issues with the payment, please email Tom Clark at tomclark1166@gmail.com.

venmo

I look forward to seeing everyone at our first meeting!

Shelly
